NINETY-FIRST ANNUAL REPORT
of the
Upper Canada Bible Society

An Auxiliary of
The British and Foreign Bible Society
Through the British and Foreign Bible Society in Canada
and Newfoundland

*(Being the One Hundred and Eleventh Year of the Society's operations under the successive names
of "Bible Society of Upper Canada," "York Bible Society," "City of Toron'o
Bible Society," and "Upper Canada Bible Society.")*

FOR THE YEAR ENDING DECEMBER 31st, 1930

"Every thing shall live whither the river cometh."

A GREAT FELLOWSHIP

THERE can be few more impressive visions of glorious Christian service than that which is presented year by year through the reports of the British and Foreign Bible Society. Here we may see pictured an ever widening tide of effort and read in the reports which mark its progress the story of an undertaking of high spiritual romance which without rest and without haste grows year by year in the diversity of its service until to-day, like a great river, it carries its living water to the very ends of the earth. In another place in this report will be found a digest of the figures which tell of the amazing accomplishment of last year, and yet the most effective work which the Bible Society does can never be recorded in figures. The stories of those who have found Christ through the reading of the Book are legion, and to many the Bible Society has been the channel through which the living water has been enabled to reach their thirsty souls.

Every thing shall live whither that river cometh, and those of us who join in this great work make ourselves one with a great company whose sole object is to swell this life-giving stream until there shall be none in all the world beyond its reach.

To the thoughtful it will not seem strange that, through good times and bad, the Bible Society's work goes on, and suffers nothing more than temporary checks. Its great and ever-growing work is merely the outward expression of the love of Christ which constrains those who have drunk at the fountain of living water to minister to those whose souls are still athirst. It is the outstanding and unique effort to unite Christendom, and has succeeded as no other such effort ever has, to gather together all who profess and call themselves Christians into a great fellowship of service, forgetting all that divides, and uniting in the labour of spreading abroad the Scriptures, the common property of all Christian people.

In this great fellowship our own Auxiliary has sought to bear a worthy part. Perhaps the fact that of all the lands of the earth to which the Bible Society has brought blessing, our own Province was the very first, has tended to plant within the hearts of those who have come to make their home in "Upper Canada" a deep and lasting regard for the Bible Society and its work.

For one hundred and eleven years the work of this Auxiliary has gone on under varying names, and embracing territories of varying size, until by the end of the last century it had swept westward across the newly settled prairies and planted the seed of the Bible Society work actually on the shores of the Pacific. From then on the story of this work begun by the Upper Canada Bible Society is the story of the development one by one of the Auxiliaries of Western Canada. The

formation in 1904 of the Canadian Bible Society gradually co-ordinated the work of all Bible Society Auxiliaries in British North America. The phenomenal growth of the work during the first quarter of the twentieth century, and finally the establishment in 1929 of the British and Foreign Bible Society in Canada and Newfoundland, linking each Canadian Auxiliary directly with the Parent Society are the outward signs of steady growth. The new name, made legal by act of the Dominion Parliament, came into use during the year just closed, and there is already evident the inspiration of the close contact with the great mother Society which the new name makes plain.

IN OUR OWN AUXILIARY

The year 1930 has been one of great difficulty and very great encouragement. Beginning with the economic disturbance in the Autumn of 1929, conditions throughout the Auxiliary, both in the cities and in the country, became increasingly difficult in so far as collecting of money was concerned. Branch after Branch advised us that they feared it would be impossible for them to retain their standard of giving. The result, however, of the year's work, showing as it did a substantial increase in normal contributions, bears testimony perhaps better than anything else to the deep regard in which the Bible Society and its work is held both by the officers of the Branches and by its supporters. Again and again we were informed that, having in mind the financial depression, contributors had increased their givings as an offset.

It is encouraging to note also a record in our distribution of the Scriptures. While Colportage work is faced with difficulties arising out of the present financial stringency, yet against this there is a demand for the Scriptures undeniably created in considerable measure by the wide-spread distress. To be able in a year of wide-spread depression to increase both our income and the circulation of Scriptures should give us fresh courage to face the difficult conditions which still confront us. Who knows but that for such a time as this, God specially strengthens our hands, and blesses our labours?

In the death of Mr. James Fairhead which took place in Toronto on February 3rd, the Upper Canada Bible Society has lost a warm friend, a tireless worker, and a generous supporter. Mr. Fairhead became a member of the Board of Directors in 1919, and a Vice-President in 1922. His particular interest was in the work of the Colportage Committee of the Auxiliary, and in 1927 he donated a motor van specially built and equipped for Colportage work. His passing is a serious loss to this Auxiliary, but both the results of his labours and the influence of his life remain with us.

We record with deep regret the death on October 28th of Mr. James Mitchell, for eighteen years a member of the staff of the Bible House. A sincere and devoted servant of Jesus Christ, Mr. Mitchell found the great joy of his life in the service of the Society he loved so well. In his death, the Auxiliary loses the oldest member of its depository staff.

OUR AGENCY WORK

The Agency work under the Agency Committee of the Board is responsible for the contact which the Auxiliary keeps, chiefly through the personal visits of its Secretaries, with the 540 Branches scattered throughout its territory. While the demands of Branches for extra assistance, in many cases along entirely new lines, has put an abnormally heavy strain upon the Agency Department, yet the response has amply justified the extra work which was done. In spite of the difficult financial conditions met during the year, it is gratifying to note that there is an increase of \$2,922.49 in the total of our Free Contributions over last year. To the officers of the Branches, and to the collectors, as well as to the many

ministers who have commended the work of the Society, our sincere thanks are due. The outstanding feature of the work in the city of Toronto was the formation in March of "The Women's Auxiliary of the Upper Canada Bible Society." The movement was inaugurated by a meeting held by the kind invitation of Lady Eaton at her beautiful home, "Ardwold." At this meeting Her Excellency Lady Willingdon graciously commended the Bible Society and its work to the ladies present, and consented to become the Patron of the new organization. The adoption of the Constitution and election of officers took place at a meeting held by the kind invitation of Mrs. Ross at Government House on May 12th. The organization is now completed and in operation, and has already made a generous contribution to the Bible Society's work.

An important step was taken in the inauguration of a Bible Sunday among the Churches of the City of Toronto which had not previously observed any special day. The date chosen was Sunday, March 9th, and some ninety churches took part. In addition to this there was held on December 7th the usual Bible Sunday which had been observed now for many years by a group of some sixty city churches. The increase in the normal givings in the City of Toronto bears testimony to the value of an organized Bible Sunday.

OUR COLPORTAGE WORK

Colportage work has been carried on as usual under the direction of the Colportage Committee. We have had Colporteurs working continuously in three of our four districts and under arrangement with the Western Ontario Bible Society again loaned to that Auxiliary a Colporteur for work within that territory. In addition to three regular Colporteurs, others have been employed for short periods and for special purposes. The total distribution of Scriptures through the Auxiliary amounted to 146,605 volumes, which is an increase of 22,652 over last year, and constitutes a record. Of the above number 140,573 copies were in English, 5,912 copies in foreign languages, and 120 copies in raised type for the blind. The value of Scriptures sold amounted to \$28,519, an increase of \$2,704 over 1929, and the largest amount for any one year in the Auxiliary's history.

The foreign Scriptures sold included copies in the following languages: Arabic, 6, Armenian 51, Bohemian 55, Blackfoot 1, Bulgarian 80, Cantonese 240, Cree 36, Croat 17, Danish 39, Dutch 25, Eskimo 2, Esperanto 2, Esthonian 10, Ethippic 1, Finnish 612, Flemish 41, French 800, Gaelic 6, German 1,144, Greek 258, Hebrew 50, Hindi 4, Hungarian 584, Italian 359, Japanese 7, Korean 3, Latin 15, Lithuanian 33, Maltese 16, Norwegian 91, Ojibwa 4, Polish 269, Portuguese 3, Roumanian 52, Russian 243, Ruthenian 319, Sanskrit 1, Serbian 41, Siamese 1, Slovenian 4, Slovak 49, Spanish 50, Swedish 81, Syriac 2, Wenli 30, Yiddish 175.

FREE GRANTS OF SCRIPTURES

In addition to the Scriptures sold the Board of Directors has made free grants of Scriptures to the following: Canadian Sunday School Mission, Christie St. Hospital, Church of the Comforter, Pentecostal Rescue Home, Toronto City Mission, Victoria Jail, Hospital Visitors.

THE WORK IN CANADA

After providing for Colportage and other Bible Society work in Canada the contributions from the various auxiliaries made it possible to send to London a donation of \$63,000. Colportage work in some form or other was carried on in every Province of the Dominion. At the port of Quebec 28,000 portions in 33 languages were distributed among immigrants. At Saint John, among the newcomers to Canada, 32 nationalities were provided with Scriptures, over 10,000 portions being distributed. At Halifax those landing were given 584 portions in 15

languages. This valuable work is recognized as of national importance, and in it the Society makes a real contribution towards the Christian spirit of the Dominion.

In addition to the work at the ports of entry, regular colportage work is carried on among those thought to be without Scriptures—especially those speaking foreign languages, and in isolated districts where often no other Christian ministrations are found. Bible Society colporteurs work in practically all the newly-settled districts of the Dominion, in lumber and mining camps, on railroad constructions, and on hydro-electric development works which now take men far afield.

The total circulation of the Scriptures in Canada for 1930 amounted to 433,259 copies—372,596 being in English and 60,663 in foreign languages.

THROUGHOUT THE WORLD

During the year 1929-1930 the British and Foreign Bible Society established a record both in its income and also for the numbers of copies of Scriptures circulated. The circulation reached the total of 12,175,292 copies, over 1,800,000 copies being in English—the largest number issued in any one year. Twelve new translations were added to the list, which now totals 630 languages. In China over five million copies were circulated, an increase of one and a half million on the figures of the previous year. In Japan the circulation in that part of the Empire served by the British and Foreign Bible Society reached nearly 400,000.

The income for the year was \$2,194,590 which included Canada's Thankoffering fund of \$80,000, contributed to mark the 125th year of the Society's operations. This Thankoffering fund has been earmarked by the Parent Society for three special objects: (1) the production of a new cheap, attractive edition of the English authorized version for use in schools; (2) advance in India, and (3) provision for the dawn of the day of liberty in circulating the Scriptures in Russia. With all its immense activity the Bible Society is still unable to meet the demands made upon it, and estimates an annual income of \$2,250,000 necessary if it is to avail itself fully of its opportunities.

In a little leaflet sent out for distribution the Parent Society makes this appeal:

"It is true that the Bible does not provide a ready made solution of our problems social and economic, nor of our international and interracial difficulties, yet certain it is that until the atmosphere and spirit of the Bible prevail upon earth, the efforts of the best of leaders to create peace and good will are doomed to fail. The prehistoric monsters which walked this earth in the early days did not perish through any weapon forged by man. They passed away with the change in climate and environment. The Bible creates an atmosphere in which selfishness and laziness cannot flourish, and in which alone the thousand and one things in the world that are wrong can be set right."

And St. Thomas Aquinas saw the same great vision when he wrote:

"The Lord saith in the Gospel: 'He who shall give to drink a cup of cold water to the thirsty shall not lose his reward.' Much more shall he not lose his reward in heaven who gives the living water of saving wisdom to the reader in the book written by the finger of God."

Perhaps in all the years there have never been greater opportunities for carrying to thirsty souls the living water of the gospel of the Eternal Christ.

"Every thing shall live whither the river cometh."

Upon demand, our Colporteurs will be pleased to produce their Official Badge issued by the Society.

GRANTS TO SUNDAY SCHOOLS AND MISSIONS

1. Mission Churches and Schools under denominational auspices are not in general to be considered fit objects for the gratuities of this Society; but Missions among Indians, Jews, French-Canadians, Chinese, Italians, etc., though under denominational auspices, are not to be taken as coming under this general rule.

2. All applications for grants of Bibles to Sunday Schools or Missions should be made upon the forms heretofore prescribed. The applicant shall state the condition of the school or mission, the number of scholars and teachers, or of the attendants, as the case may be; the amount of funds at the disposal of the managers; who are its officers; and why it is necessary to make such application. These applications should in every case be certified by a minister of the Gospel, or some person of known respectability.

Donations Bearing Life Interest

THE Society is prepared to accept Donations from persons who are interested in the circulation of the Word of God through the medium of the British and Foreign Bible Society and its Agencies, with the understanding and agreement that it will pay to the Donor interest (graded according to Donor's age) during his or her lifetime.

This plan will commend itself to many of our subscribers in that the Donor is making himself his own executor in so far as the amount of the Donation is concerned, and saving himself from any further trouble and anxiety in connection with the investment for the rest of his life.

There are many friends of the Society who accept this plan as a means of witnessing the results of their beneficence whilst they live instead of donating money to the Society's work through their Wills.

If you are interested in this plan, write the Upper Canada Bible Society, 14 College Street, Toronto, stating your age at nearest birthday, when further particulars will gladly be sent you.

BEQUESTS

THE Society has received many Bequests under the Wills of departed friends who, during their lifetime, had made provision for the furtherance of the work of the Bible Society, either in the Dominion of Canada, or the various mission fields. In many instances, these friends were generous supporters of the Society during their life. "They rest from their labors and their works do follow them."

We here pay homage to the memory of the late Jesse Ketchum, who, by his beneficence in the year 1858, left the Society a share in the property formerly occupied by us on Yonge Street, Toronto, the rental from which has paid the entire cost of our present Bible House.

Many who cannot give large sums to the world-wide work of the Bible Society during their lifetime may, through a bequest, extend their influence many years.

FORM OF BEQUEST

TO THE

UPPER CANADA BIBLE SOCIETY

I bequeath the sum of.....dollars to the UPPER CANADA BIBLE SOCIETY, to be paid to the said Society for its general purposes, as the Board of Directors may from time to time determine, the receipt of the duly appointed officers of the said Society to be a good discharge for the same.
